

## Reading

Positive reading experiences can do wonders to help each child with a variety of skills, including their perception of themselves and the world around them. It is so important that each child reads **5 times a week**, this may be a set reading book from school linked to their understanding of phonics or may be a larger chapter book of their choosing. Please can you sign your child's reading record to show that they have read as I will be checking every Friday.

## Term 2 Kingfishers Class Core Homework

## Spelling

This year, the children of Kingfishers Class will be taught spelling using a scheme of work called Essential Spelling. They will be taught as Year 3/4 in one group and Year 5/6 in one group. Each week, the children will be taught a relevant spelling rule and on Friday they will be sent home with a list of words they have learnt during their lessons to practice. Please support them to practice and ensure the learn is deepened ready to be applied to their writing.

There are some great activities available on [Flippity.net: Flashcards and Other Resources for Educators and Learners](https://www.flippity.net/) where children can enter and practice their appropriate spelling words.

## Maths

Please encourage your child to use **TTRS** at least **4** times per week for at least 15 minutes. Dojo points will be awarded to those engaging with **TTRS** the requested amount.

## Pantomime

Please support your child to learn their lines for our upcoming Pantomime, "Robin Hood and the Sherwood Hoodies."
