

Rangeworthy C of E Primary School

Termlet 1
School core value-Friendship

5th October 2018

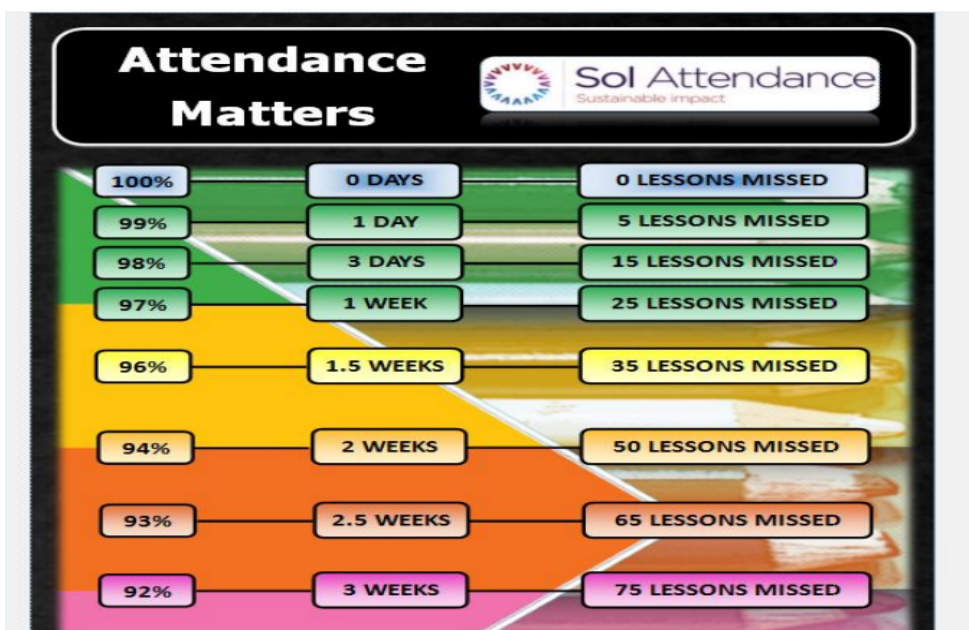

Dear Parents/Carers,

A week Friday the Rangeworthy's Harvest Festival will be taking place at Holy Trinity Church. This event will involve all the children contributing to this service and thanksgiving opportunity to God. Our two Worship Monitors (Leila and Kaydin) will be working alongside all the staff in planning and producing this celebration. Further details are provided below regarding harvest contributions and where your kind contributions will be sent.

Attendance reminder

Thank you to all of the parents/carers for continuing to phone in if your child is unable to attend school due to illness. The attendance figure up to this week is 97.92%. Please can we make every effort to maintain this and just reflect on the poster below.

Rangeworthy School Council

The first Rangeworthy School Council meeting was held last week. The children were full of ideas and I am convinced that this will be used as a good way to improve the school even further.

After School Clubs

After School Clubs have already started.

Monday-KS1 sports club run by Swift Sport. This club is free and is funded by the school.

Tuesday- KS2 sports club run by Swift Sport. This club is free and is funded by the school.

Friday-Fencing Club for year 2-6 children has turned out to be very popular indeed. Unfortunately, it is now full.

Monday-Cookery Club is being run by Mrs Musty this term for K.S.2 children only. Thank you to the community volunteer who is helping weekly.

After School club provision will be reviewed at the beginning of termlet 2 and a new list will be reissued.

The lunchtime clubs run by year 5 and 6 children will be starting very soon and will be running from 12.30 until 12.55pm on a rota basis. Thank you to the staff members that have kindly volunteered their time to supporting the running of these clubs.

School Association Update

The School Association AGM took place last Thursday. It was well attended by existing members and please can I offer my sincere thanks for the approval by the School Association to purchase another new interactive whiteboard for Class 2 this time. The first one, now in situ in Class 3, is making a real impact to the learning taking place at Rangeworthy. The School Association will communicate with you personally to update you on upcoming events and fundraising activities.

Please can I also say a big thank you to Teds' father in Reception, who kindly resolved an ongoing issue with the toilets voluntarily.

Parents' Evening arrangements

A separate letter was issued this week, detailing information about the upcoming Parents' Evening. Please sign up for an appointment if you haven't already done this.

GDPR-General Data Protection Regulations

A data collection pack was recently issued by the school office requesting up to date information and consent for a number of activities. Please ensure that you complete all of the forms and return them promptly to the school office. It is essential that we have this information on file.

Please could I also remind you to share the pupil privacy notice with your child, before filling it in and sending back to school. If you have misplaced the previously issued one, a new one can be obtained from the school website (Dfe-GDPR) or the school office. Thank you for all your cooperation.

Dinner money cost and payments

A reminder that the cost of a school dinner for a pupil is £2.20 per meal. Please can you make the effort to pay in advance or on the day, so that arrears are not accrued. Thank you for your help with this.

Breakfast Club spaces available

Mrs Tommy (Breakfast Club Supervisor) informs me that Breakfast Club is becoming ever more popular but there are still some available spaces should any parent like to use this facility. If you have any questions concerning this before school provision, please don't hesitate to ask Mrs Tommy or phone the school office.

School strapline changed

The children are becoming more au fait with using the new school strapline. It is gradually being immersed in everything that we do as a school moving forward.

"Let your light shine."

INSET Days for 2018-19

3rd September 2018

7th January 2019

23rd April 2019

22nd July 2019

23rd July 2019
