Head teacher – Mr J Powell Telephone – (01454 228425)

14th February 2019

Dear Parents/Carers,

We have just recently carried out a review of our safeguarding procedures and the Governors and school staff have jointly made the decision that as of 25<sup>th</sup> February 2019 dogs will not be able to enter the playground environment. This decision is not connected to any events that have happened recently.

We appreciate that this will be rather awkward for some parents but as you can fully understand and appreciate, maintaining the wellbeing and safety of all pupils at the school is essential and must be adhered to.

Please refrain from bringing your dog/s within the school boundaries, however it is essential that during drop off and pick up time, your child/ren continues to be accompanied from the playground area, not from outside the designated school property.

Thank you for your understanding with this matter.

Yours sincerely

Mr Powell

Headteacher
