

Ash Class – Reception and Year 1.

Two grids are published on a Tapestry post every Sunday evening.
 One grid details the morning, **CORE** activities for each day. There is different provision for Reception and Year 1 according to the children's age and stage in learning.
 The second learning grid shows all the **FOUNDATION** activities planned for each day with links to websites and resources.
 The Tapestry post gives detailed instructions and links to resources for all activities.
 This allows parents to prepare and print learning materials in advance if they choose to do so.

Daily Activities	Examples of Typical Resources to support Learning
Every day – pre-recorded video of Ms Streatfield or Mrs Welsby introducing and explaining the activities for the day. Further information and communication provided if appropriate.	
Phonics	Links to Youtube videos e.g. 'Mr Thorne does phonics' Twinkl PowerPoints Worksheets and resources available to download from Tapestry. Early years phonics support sheet provided where required. Phonics play- online games to reinforce learning, practise blending and segmenting skills and reading 'tricky words'.
English	Each week examples of a different genre of writing (story, instructions, information) are provided with links. Children complete differentiated activities to develop their understanding of the genre and end the week creating their own example of this genre.(All links provided on tapestry)
Maths	White Rose videos (vimeo) and practical activities Printed worksheets have been provided, or workbooks. Maths games – these have been provided and video clips uploaded
Reading practice	Daily reading encouraged, parents to upload a video clip of their child reading at least once a week. Reading scheme and library books available on request and placed in box by gate for collection. Reading for Pleasure – Children encouraged to read a favourite book and upload for their friends to enjoy listening to their story #storyshare. Children encouraged to read bedtime stories for siblings. Teachers reading stories posting on tapestry or live via zoom.
Foundation activity (At least 1 activity e.g. physical, history, geography, creative.)	PSHE – Links to Scarf Resources for staying safe PE – Links to Cosmic Yoga, Andy's Wild Workout etc DT / Art skills and projects linked to transport topic Science - Topic linked tasks posted on Tapestry History / Geography explored through English texts choices
Collective Worship	1 pre-recorded assembly each week by Mrs Warnock

Live Meet via Zoom

Reception – Friday 10am
 Year 1 – Friday 11am

How to submit your child's learning:

Please upload your child's learning to the Tapestry website. This could be in the form of photographs, videos and comments.

How parents can get help and support?

For enquiries and support, please ask via Tapestry by making a comment below the daily post. A member of staff will be regularly checking the post and responding. However, please be mindful that we will be teaching children of 'critical workers' in class throughout the day and therefore will not necessarily be able to respond to your enquiry immediately.
