

Cherry Class – Year 2

On Tapestry - every evening, CORE activities are posted for the next day. This post provides links to resources for all activities.

There is a weekly post on Tapestry, which shows all the FOUNDATION activities planned for the week with links to websites and resources.

This allows parents to prepare and print learning materials in advance if they choose to do so.

Daily Activities	Examples of Typical Resources to support Learning
Spelling, Punctuation and Grammar	Worksheets and resources available to download from Tapestry. EdShed – Spelling Shed scheme of learning to mirror scheme followed in school. Activities and games available to download. SPAG: Quiz Shed and Assignments available for further practice and to practice spelling rules. BBC Bite-size and Super Movers – to support grammar work Twinkl – worksheets and handwriting templates Phonics Play – alternative spellings, sentence structures
English	Videos as a stimulus for writing – BBC Bite-size and YouTube. Teacher prepared bespoke worksheets and activities to download from Tapestry. Links made available for story books online. Class Teacher-read story videos.

Collective Worship	1 pre-recorded assembly on Monday by Mrs Warnock

Live Meet via Zoom

Thursday 11am – a Zoom meeting invite will be sent in advance so that children can request stories, games/activities, and prepare for any news that they want to share.

How to submit your child's learning:

Please upload your child's learning to the Tapestry website. This could be in the form of photographs, videos and comments.

How parents can get help and support?

For enquiries and support, please ask via Tapestry by making a comment below the daily post. A member of staff will be regularly checking the post and responding. However, please be mindful that we will be teaching children of 'critical workers' in class throughout the day and therefore will not necessarily be able to respond to your enquiry immediately.
