

Dear Parents/Carers,

I am writing to let you know about an exciting new rewards system that has been introduced to our pupils at Rangeworthy this academic year. Each child has been given their own monster avatar on our Class Dojo system, that earns 'monster points' for positive behaviours and a good work ethic.

The nine categories that Dojo points are awarded for are: responsibility, respect, friendship, being on task, resilience, independence, confidence, working hard and kindness.

Each Friday during our assembly we award a trophy to the top Dojo winner of the week in each of our three classes and the class with the best average score also wins a trophy displayed in their class.

This system has proved very popular with pupils and teachers' alike. Each child's Dojo points contribute to their house team of Rabbits, Foxes or Squirrels and are displayed in the hall. At the end of each term the winning house will receive a half termly reward.

Regards

Mrs Cain
