Dear Parents/Carers,
PTA Annual General Meeting (AGM)

We would like to give notice of the AGM of the Rangeworthy School Association, to be held on Thursday 5th October 2023, online via Teams, 7pm - 9pm.

The PTA plays a vital part in the school community and all parents/carers and family members are invited to support the AGM. This is your chance to hear and see how the funds you have helped to raise have been used for the benefit of the children at our school.

We would welcome as many of our community to join us as possible and if you would be able to attend, please email rangeworthyschoolassociation I @gmail.com for the meeting link. Even if you can only join us for part of the meeting, we'd be appreciative of your presence.

The AGM is also an opportunity for you to elect the PTA Committee, who represent the association throughout the forthcoming year. Nominations should be sent in advance of the AGM for anyone wishing to stand as an Officer or Ordinary Committee Member, for the first time. Existing committee members wishing to stand for re-election do not have to be nominated again but should inform the PTA of their intention to stay in their role.

If you would like any further information about being a Committee Member, please speak to Gemma Perrett (chair) or Jen Royds (Secretary) or email rangeworthyschoolassociation I @gmail.com .As our PTA is a registered charity, all committee members automatically become Trustees of the Charity. Before submitting your nomination, please read the Charity Commission publication 'The Essential Trustee – What you need to know (CC3)'.A copy of the booklet can be found on the Charity Commission website.

We look forward to seeing you on 5th October.

Kind Regards,

Rangeworthy School Association Committee

LEARNING HIGHLIGHTS Autumn Week 1

Galileo Class

• Baret Class

Today the Baret Class were investigating the best type of materials to make a house for the 3 little pigs so that the big bad wolf wouldn't be able to blow their house down!

It is part of our Science topic of everyday materials. We used cardboard, paper, plastic and wood. Some children managed to build a paper house that withstood the air from the hairdryer!
