YOU NEED TO KNOW ABOUT YEAR 6 SATs 2024:

Year 6 families are invited to a SATs information workshop with Mrs Cain on Tuesday 9th January at 5.00pm in Galileo classroom.

As promised, **CLASS DOJO MESSAGING** is coming soon...

Mrs Cain will be writing to all families on **Friday 12th January** with an explanation of how it will work in Rangeworthy to enable better communication between school and home/home and school.

ClassDojo Messaging is a wonderful, instant, and safe way for teachers and parents to privately communicate with each other individually or in groups. Parents and teachers can read and respond to messages from the website, or from the mobile app. In addition to sending messages, teachers are also able to send photos, stickers, and files to parents.

So not to repeat information, the **Weekly Newsletter** will cease following the launch of ClassDojo Messaging. Instead, Miss Travis will produce a half termly newsletter which will consist of a celebration of learning and events over the term and a look at the term and year left ahead. In this way, we feel that communication will be linked to quality and need rather than quantity.

Finally, **School Comms** will continue to be used for general daily notifications.
